

Important Information

MOREE WATER SKI CLUB

To ensure compliance to Council and State regulations, and to ensure safe and enjoyable use of the Mater Water Ski Park, a boat permit is **MANDATORY** for any powered vessel, including jet skis. This form needs to be completed prior to access being granted.

Form 1: Boat Permit Application

- **Owner, contact details and vessel.**
 - All fields are to be completed.
- **Insurance details.**
 - Your insurance cover may expire during your permit period; it is **YOUR RESPONSIBILITY** to ensure that it is current **AT ALL TIMES**. It is not the Club's responsibility to ensure your policy remains current. In the event that you change companies, you must advise the Moree Water Ski Club, so that your file can be updated.
- **Expiry date of insurance.**
 - Insurance is required for access to the Park. It is **YOUR RESPONSIBILITY** to ensure that it is current **AT ALL TIMES**. It is not the Club's responsibility to ensure your policy remains current.
- **Third Party insurance.**
 - Please ensure you have third party property insurance on your policy. Third Party Insurance will cover you in the event of you damaging another vessel with your vessel. The amount of cover should be detailed on your policy; please note this on the form. If in doubt, ask your insurance provider and refer to their PDS.
- **Public Liability insurance.**
 - You **MUST HAVE** at least \$10 million public liability insurance to cover you against claims due to your negligence. NB: the standard amount on many policies is \$5 million, with an option to increase to \$10 million.
You must also ensure that your public liability policy is endorsed for waterskiing as many policies have this as an option. If in doubt ask your insurance provider and refer to their PDS.
- **Vessel condition checklist.**
 - It is **YOUR RESPONSIBILITY** to ensure your vessel remains in a safe operating condition at all times. The checklist and accompanying notes will help you to carry out your own inspection. The checklist is a guide only, and if any other safety-related faults are identified, these must be rectified in a tradesman-like manner. If in doubt, have your vessel inspected and signed off by a suitably experienced person.
- **Declaration.**
 - **THIS MUST BE SIGNED**; this is your declaration that you will ensure your vessel will remain insured and in a safe operating condition at all times while ever your Boat Permit is current. Failure to comply will place you, your family, your guests, and other Park users at significant financial and personal risk.

Form 2: Moree Water Ski Club Lake & Boat Rules

- **Please print 2 copies of Form 2, read carefully, and sign.**
 - One copy will be submitted with the Boat Permit Application, and one is to be kept in your vessel or vessel support vehicle.
- **ALL VISITORS – members or otherwise – MUST COMPLY with these rules.**
 - The owner of the vessel must ensure their guests comply with all the Park Rules.
NB: some operational rules are more stringent, and slightly different, to general RMS boating rules.
- **Please note the following rules:**
 - Rule 5 & 6 – limitations of operational boats on each lake; an operational boat is a boat under power on the lake, a non-operational boat is considered to be a boat on the water's edge, or waiting in the water.
 - Rule 7 – insurance cover must be current at all times; please see 'Boat Permit Application' conditions above.
 - Rule 11 – children 10 years of age or younger, **MUST WEAR** buoyancy vests when under the care of a boat permit owner, and on the water in an operational or non-operational vessel.
 - Rule 12 – the **MAXIMUM** number of water skiers or tube riders at one time is **TWO**.
 - Rule 16 – towable floatation devices are only allowed on the Circuit Lake (Lake 2); the East-West Lake (Lake 3) and North-South Lake (Lake 1) are not to have towable floatation devices, i.e. tubes etc. on them.

Form 3: Indemnity Clause & Liability Waiver

- Please read the form carefully, and when in agreement sign and submit all forms.

Form 2: MWSC Lake & Boat Rules

MOREE WATER SKI CLUB

NB: A copy of this form must be kept in the boat at all times.

1	All vessels must have a current MWSC boat/jetski permit, as per Form 1.
2	All drivers must hold a current boating/PWC licence as required by NSW Boating Regulations.
3	All vessels must adhere to More Water Ski Club's permits terms and conditions, as per declaration, at all times.
4	All vessels must purchase a current permit PRIOR TO launching the boat/jetski – annual permit sticker to be fixed beside rego numbers in clear view.
5	Maximum number of boats/jetskis permitted on the Circuit Lake (Lake 2) at any one time is FIVE.
6	Maximum number of boats permitted on the Slalom Lakes (East-West, North-South) at any one time is ONE.
7	All boats must have Third Party Waterskiers Liability Insurance: minimum public liability cover of \$10 million . Please check your policy to ensure it covers you for your activities. Some policies DO NOT cover barefoot waterskiing. <u>If you barefoot, check your policy.</u>
8	Boat drivers must be licenced and the owner of the boat is to ensure they are proficient.
9	Minimum age for observers must be in accordance with NSW RMS rules. When waterskiing there must ALWAYS be an appropriately aged observer in the boat.
10	All waterskiers must wear an APPROVED BUOYANCY suit or vest when waterskiing.
11	ALL children under the age of 10 years old MUST wear a life jacket whenever they are swimming or in/on a vessel.
12	Maximum number of skiers being towed behind the vessel at any one time is TWO.
13	All vessels and skiers must stay as close as practicable to the just right of centre of the lake, and travel in an anti-clockwise direction. NEVER ski across the lake; when overtaking or being overtaken move as far apart as practicable.
14	When a skier falls, pull the rope into the boat and proceed back to your skier. NO POWER TURNS.
15	Boom bars are NOT to be left out when not in use.
16	Tubes and other 'non-controllable' 'water toys' are not permitted on Lake 1 and Lake 3 (North-South, East-West).
17	Outgoing (or stationary) vessels MUST ALWAYS give way to incoming (or moving) vessels.
18	When skiing or dropping a skier in front of the boat dock, keep your boat as far away from the dock as possible, and maintain your speed past the end of the dock, to avoid damaging the other vessels against the dock.
19	If there are non-powered vessels using the lakes, stay as far away from them as possible. Non-powered vessels ALWAYS have right of way on the Circuit Lake (Lake 2), even if they are in the wrong.
20	Always obey the instructions of the Lake Coordinator, a member of the Police Force, or a representative of the Water Park.
21	No refuelling your boat whilst on the Lake waters.
22	No ballast or wake enhancement devices to be used on Lake 1 and Lake 3 (North-South, East-West). Limited use is allowed mid-water of the Circuit Lake (Lake 2) away from the banks – to protect them.
23	Vessels must be launched and retrieved only on the boat ramps and all rubbish taken from the site or placed in bins if provided.
24	All equipment and facilities at the Water Park are to be respected and not to be damaged.
As with any other waterski area, it is the responsibility of each skier and driver to become aware of the surroundings and take due care when involved in any water-based activities.
